Save on Harbor Freight's customer favorites with our super coupons. Search our Harbor Freight coupons for deals on Harbor Freight's generators, air compressors, power tools, and more.

The Harbor Freight Solar Panels - What Connectors Do They Use? Most solar panels sold by Harbor Freight today use SAE connectors. This is a two-conductor DC connector that is easy and quick to connect/disconnect, which makes it a great connector for a solar panel. SAE connectors have one male pin and one female pin.

Harbor Freight solar panels are not classified as waterproof but are considered weather resistant and can withstand rain, snow, and sleet. This means the panels can withstand exposure to water, but water should not be allowed to pool and they should not be submerged.
