

The former de facto foreign minister called the US State Department, the US Agency for International Development (USAID), and the European Union “subjects of aggressive isolation of Abkhazia.” According to his decision, USAID-funded projects promoting contacts between Georgians and Abkhazians were launched in Abkhazia.

Abkhaz Foreign Minister Sergey Shamba also said Moscow would switch to charging the region commercial rates for energy, which has historically been heavily discounted. Georgian Dream has pursued reconciliation with Russia despite its war in Ukraine, strengthening trade ties and refusing to impose sanctions on Moscow.

According to Abkhaz Minister of Economy Adgur Ardzinba, in the first ten years after recognition, Abkhazia's foreign trade turnover tripled, with exports growing six-fold (Sputnik 2018). While the Russian economy has struggled to adapt to the sanctions and counter-sanctions imposed in 2014 in connection with the conflict in eastern Ukraine ...

The UK has 2.4GW/2.6GWh of operational energy storage across 161 sites, with 20.2GW additional approved in planning. The UK is deploying increasing amounts of new utility energy storage capacity each year. The total pipeline for UK energy storage is now at 61.5GW across 1,319 sites.

However, between the SSR Abkhazia and the Soviet Socialist Republic of Georgia, already in December 1921 the union treaty was signed, according to which Abkhazia transferred part of its powers to Georgia. This concerned foreign policy, foreign trade, ...

The upcoming three-month closure of Georgia's Enguri hydropower plant for repairs will leave the breakaway territory of Abkhazia without a regular energy supply. The plant accounts for all of Abkhazia's supply and more than 35 per cent of the electricity used in territory controlled by Tbilisi. The arch dam, reservoir and a part of the diversion tunnel are located on ...

SUKHUM / AQW"A - Abkhazia's foreign trade turnover reached 39.9 billion rubles (\$525 million) in 2022. The trade turnover with Turkey in the same year grew by an impressive 142%, compared to 2021. Read more ...Abkhazia's Trade Turnover with Turkey Increases by 142% in 2022

Since the start of the intensified confrontation between Russia and the West in 2014 and the weakened ruble as a result of sanctions, counter-sanctions, and economic crisis, Abkhazia has bolstered its trade with the West. Turkey is now Abkhazia's second most important trading partner, taking in roughly one-third of Abkhazia's exports.

Despite the fact that Abkhazia has been under an embargo on all trade and for-eign economic activities by Georgia, economic and trade ties between Turkey and Abkhazia have intensified rapidly during the past few years.<sup>3</sup> Turkish investments have increased in Abkhazia, unofficial trade is reaching higher marks every year,

The adoption of the "foreign agents law" in Abkhazia will have tragic consequences, most local experts, human rights activists, and all opposition representatives insist. They oppose the draft law "On non-commercial organizations and individuals acting as foreign agents," introduced by President Aslan Bzhania in February 2024. It's unclear when it ...

The European Commission has given the go-ahead to a EUR150 million (US\$160 million) state aid scheme for renewable energy and energy storage in Slovenia. The executive arm of the ...

The lack of international recognition meant that trade as well as foreign investment and loans were basically off the table. To survive, the Abkhaz had to resort to informal solutions and practices (Prelz Oltramonti 2017). ... Navigating de facto statehood: trade, trust, and agency in Abkhazia's external economic relations

The Georgian Foreign Ministry says an oil agreement between Russian oil company Rosneft and the separatist region of Abkhazia is a violation of Georgian and international laws, RFE/RL's Echo of ...

**ABSTRACT** What opportunities and trade-offs do de facto states encounter in developing economic ties with the outside world? This article explores the complex relationship between trade and trust in the context of contested statehood. Most de facto states are heavily dependent on an external patron for economic aid and investment. However, we challenge the widespread ...

Since energy storage systems (ESS) can balance supply and demand, they are an essential part of Germany's energy transition. In line with this, the market for ESS is constantly growing. According to the German Energy Storage System Association (BVES), the industry grew by more than 10% to EUR 7.1bn (\$ 8.2bn) in 2020.

However, trade is extremely lopsided, with the Abkhaz side running a huge deficit: in 2019, the value of Russian exports to Abkhazia was 210.9 million USD, while that of Abkhazia to Russia was only 69.5 million USD. Given the extensive trade and economic interaction between Abkhazia and its patron, mutual trust could be expected to be high.

On 6 August, Sergey Shamba was appointed as the new Minister of Foreign Affairs, marking a return to a role he has held twice before. The following interview, originally published by Sputnik Abkhazia, has been translated from Russian this conversation, Shamba discusses his first decision after his appointment, the changes in global diplomacy over the ...

Despite Abkhaz households' dependence on imported Georgian goods, as well as widespread acceptance in Georgia proper for doing business with Abkhazia (in recent years, approval has hovered above 70%) (CRRC 2019 ), the vibrant informal trade has not led to public pressure to change the restrictive policies in both entities.

A rapid global energy transition, including the ramping up of electricity generation from renewables, is needed to limit global warming to 2 °C or 1.5 °C. However, renewable resource endowments ...

Geography Abkhazia is situated on the Eastern coast of the Black sea, bordering Russia in the North and North Caucasus along the Caucasus Mountains Range and Georgia in the East. Abkhazia is divided into seven administrative districts: Gagra, Gudauta, Sukhum, Ochamchira, Gulripsh, Tquarchal and Gal. Due to its mountainous nature, Abkhazia has many rivers and ...

In 2013, the volume of foreign trade between Turkey and Abkhazia allegedly rose to \$600 million, which is an unofficial, but still credible number. The majority of trade is transported through the Black Sea, with Turkish vessels leaving the Turkish ports of Istanbul, Samsun and Trabzon, and officially heading for Sochi. ...

Abkhazia was a subject of the tsarist regime in the Caucasus from 1864 until 1917, and was then declared a Soviet Socialist Republic (SSR) on 4 March 1921. Abkhazia joined the Georgian SSR in February 1931 and enjoyed full republican autonomy (Istoriya Abhazii Ot..., 2013). South Ossetia was a part of Russia's Vladikavkaz area up until 1920.
