AEES | 845 followers on LinkedIn. A.E.E.S. designs, manufactures and markets a wide range of industrial power converters for human and machine safety. For decades, many customers placed their confidence in the industrial battery chargers, the safety power supplies, either AC or DC, the DC to DC converters, the inverters and UPS's, the control and protection relays.

With much expectation, AEES 2022 was finally held successfully during September 23rd-25th, 2022. Due to the Covid-19 pandemic and the imposed restrictions on travel, the organizing committee had to make a tough decision and convert 2022 into an onsite conference in Lanzhou blended with virtual mode for the safety and well-being of all participants.
