AGIC Energy Southern Africa Limited is a Zambian company focused on serving the East and Southern Africa energy markets with support from AGIC Energy Global Technology, an AGIC ...

In 2023, driven by the need for equipment for their own projects, AGIC Energy established AGIC Energy Global Technology to manufacture their own product line. Further market research revealed a broader need for accessible and user-friendly renewable energy solutions.

Importantly, this is being achieved while diversifying South Africa's energy mix to include renewable sources of power to reduce the country's reliance on fossil-fuel-based electricity.
