

# Ametek hdr power systems inc

AMETEK HDR is a leader in technology for the application of SCR Controllers, Power Supplies and custom Transformers for Industrial Heating applications. Industrial Heating requires equipment that is reliable and proven to last for many years. AMETEK HDR understands these needs and has a full product line suite to meet them.

AMETEK Power Instruments serves the world-wide electric power generation and distribution industries with our advanced instruments and monitoring systems. We offer an extensive sales and service network around the globe including the US, UK and Asia. We can provide fault recorders, power line carriers, high accuracy revenue meters, alarm management and much ...

2 Table 1 Specifications for HDR's Zero-Fired SCR Power Controls - 60 and 90 through 1200A CONTROL METHOD - Zero firing of back to back SCRs per controlled phase. VOLTAGE RATINGS-120, 240, 400, 480, 575VAC, 50/60 Hz. CURRENT RATINGS - 60, 90, 120, 180, 225, 350, 500, 650, 800, 1000, 1200 A. COMMAND SIGNAL - 4 to 20ma, 0 to 5VDC/0 to 10VDC, ...

AMETEK HDR offers both SSR and SCR Zero- and Phase-Fired power controllers up to 1200-Amps as well as DC power sources from 50 kW to 1 MW. AMTEK controllers are high quality, industrial grade products that are ...

PF3 SCR Power Controls, Phase Angle (Three Phase, 60-225 Amps) ... Suitable for 3 Phase 3 or 4 Wire Systems. Delivery: Shipment in 2 weeks (Expedited Delivery Possible). ... Ametek HDR; Made In USA. No; Customers who bought this product also bought. Model PF3 SCR Power Control (350-500A) ...

AMETEK HDR Power Systems designs, develops, manufactures and certifies custom power controller solutions for the Glass industry. Our designs have been proven for over 20 years and we offer a complete variety of custom-designed Power ...

Ametek HDR Power Systems is a recognized industry leader providing process control solutions to a broad spectrum of industrial markets. Our focus is to help our clients grow and succeed. We accomplish this through the quality design and manufacture of system solutions that include:

AMETEK HDR Power Systems designs, develops, manufactures and certifies custom power controller solutions for the Nuclear industry. The combined experience of HDR, Robicon and Halmar electronics reaches hundreds of nuclear installations around the world. This experience originates from the acquisition of Halmar and Robicon Group (HRG) by AMETEK ...
