In one word: Scam. In many words: This is a standard recruitment style email and documents for money mules. The victim/job applicant is required to receive money transfers and then send them on using Moneygram or Western Union, likely to a certain African country with a penchant for producing unfortunate princes with a desperate need to transfer inheritances and the like.

If you are applying for jobs online, do your research before accepting an interview or employment offer. Job scammers have gotten very sophisticated, convincingly claiming to represent real ...
