About Kortrong - Zhuhai Kortrong Energy Storage Technology Co.,Ltd. specilizes in one-stop Solution  
Provider for . ... In April of 2022, Kortrong Zero-carbon Energy Storage Industrial Park had its  
groundbreaking ceremony and the first day of construction. In March 2022, Kortrong was awarded  
&quot;Specialized and Innovative Small and Medium-sized ...

Blue Carbon Technology Inc., which officially entered in Rizhao in 2009, is one of the suppliers of  
photovoltaic product research develop and micro-energy storage system solutions in the world. Blue Carbon  
has 18 industrialized 5.0 factories, more than 400 professional technical personnel, and invests more than 20%  
of the annual income in ...

Blue Carbon Technology Inc. (Abbr: BCT) settled the base in High-Tech Zone, Rizhao City in 2009. Through  
10 years of high-speed development, Blue Carbon is the integrated supplier to meet the needs of many fields  
of micro-energy storage systems by providing a one-stop solution from R& D to production, from made in  
China to created in China.
