

Bluetti solar power station

Most of its power stations feature inverters and charge controllers that Bluetti also manufactures. The company refers to its power stations as solar generators, which is confusing, even though PV panels generate solar power. The nomenclature is probably an effort to offer them as alternatives to gas-powered electric generators.

BLUETTI solar panels bring you all your power needs for your next adventure. Scroll to content. Black Friday Sneak, SaveUp To 50% OFF! Buy Now » ... In case of outages or electric emergencies, you can connect your portable solar panel to the power station and keep your devices running.
