In recent years, we have learned that loss of power can disrupt our entire lives, leaving us feeling helpless and vulnerable. An automatic standby generator restores power within seconds of a power outage, keeping everything - appliances, Wi-Fi, lights, well-pump, refrigerator, water heater, etc., - running as usual throughout the outage.

This review is on the generator contractor recommend by Home Depot to do a site survey and evaluation. John Recker from Canter Power Systems came to my house to do a site survey and evaluate the size of Generac generator needed for my home. He quickly was recommending a 22kw generator without starting an evaluation and calculating the power ...
