Evergreen Power Solar - Manufacturer of Genus Polycrystalline Solar Panel, 100W Solar LED Street Light, On Grid Solar Power Systems, Solar Panel System and Solar & Renewable Energy Products in Panchyawala, Jaipur, Rajasthan

Contrary to popular belief, solar panels are not an asset on residential homes. Panels, inverters, batteries, are simply a piece of utility equipment that will degrade over time and need replacing just like power lines and meters and transformers. ... Evergreen Solar's bankruptcy and closure were attributed to financial difficulties, including ...

Evergreen said in its annual report that "historically, we have produced non-standard size rectangular wafers that were then processed into Evergreen Solar branded solar panels." Those panels were assembled in its Massachusetts facility. The company made a move to focus on industry standard size wafers, but ran out of time and funding.
