An average mid-tier leather sofa will run from \$3,000 to \$6,000 and can step up from there based on the sofa's brand, leather type, and size. Shopping around and looking at the clearance section of your local furniture store can often pay off handsomely. I've found some of my best leather sofas in the sale areas of many furniture stores. Conclusion

Leather sofas are stylish, comfy and durable. At Sofa , our real leather sofas are sustainably sourced from the food industry and have scratch-resistant and easy-to-clean features. Choose from three different leather textures: Antique, Powdered, and Grain. Our collection includes a range of styles, from snug chaise lounges to compact modular ...

While leather recliners always make a statement, fabric recliner sofas effortlessly ease into the current set-up of your living room. For example, it's much easier to mix and match with other pieces of furniture in the room, contrasting colours, textures, or patterns between a fabric chair and a new fabric recliner sofa.
