

The 17th (2024) International Solar Photovoltaic and Smart Energy opened at the Shanghai National Convention and Exhibition Center. 10-meter mobile energy storage vehicle. As the first liquid-cooled, 10-meter class mobile energy storage vehicle with the world's largest capacity in the industry so far, "Xin Era" is a bold innovation of Sunwoda in the field of energy storage.

Energy and climate-related policies have been accelerated by both state and federal governments, and for many companies the time feels right to invest in energy storage. This event gathers together investors, developers, IPPs, grid operators, policymakers, utilities, energy buyers, service providers, consultancies and technology providers under one roof.
