

Northern arizona wind sun

NAZ Solar-Electric is a family-owned and operated solar distributor located in Flagstaff, Arizona. You might know us by our previous name, Northern Arizona Wind and Sun. We have updated our name ...

Northern Arizona Wind & Sun (dba) NAZ Solar Electric has a 4.8 rating. This company has very competitive pricing and great customer service including tech support you won't get from other on-line sellers. All that and NO sales tax has made me a loyal customer.

Springtime is upon us, and that means Northern Arizona is about to become an extremely windy place. Now, while you don't have to worry too much about being carried off by a rogue breeze, other effects of the wind such as dust storms and road closures might become an obstacle.
