Prevention of Landfill Waste or Incineration One of the goals of the salvaging process is to acquire the wood before it gets shipped to the landfill. This means scouting for lumber at shipyards, demolition sites, going-out-of-business sales, and building renovation sites. Often, salvageable wood is mixed with other waste, so it's necessary to do some.. ntinue ...

Preston Brown, Old Sol Lumber Co. I found Good News Wood Salvation online while I was looking for rustic reclaimed wood in San Jose, CA for an accent wall. Eric and Leo were so helpful and gave me a great price and such good care and service. I highly recommend these guys to people looking for reclaimed wood.
