Description XPS GEN 2 Power Steering System Existing Cable steering acts as safety backup in Price is per unit. Also available in a case of of sys

Auxiliary Motor Steering Kit - Stainless Steel. SKU: 552600 An auxiliary motor steering kit is the ideal way to provide remote control steering for any type or size of outboard trolling motor up to 25 horse-power. The model 55-2600 is constructed of stainless steel. Non ...

The Panther XPS combines cable and hydraulic steering by using stored power that delivers high-pressure hydraulic fluid to a patented cylinder so the pump only operates when needed. This amounts to only 10% of the typical Engine's run time for power-assisted systems. ... Watch Jon Thelen, the host of Destination Fish television, talk about G2 ...

The XPS Power Steering System is covered for two (2) years from the date of installation, or two (2) years from the date that a boat with the XPS Power Steering System is by an authorized dealer or has been purchased whichever is later. However, in no event shall the warranty period extend beyond the date which is thirty (30) months from the ...

While it's true the Panther XPS Power Steering system by MarineTech is for all outboard power boats - primarily in the 90hp to 250hp range - you could make a strong argument about why it seems to be designed just for pontoon owners.

Panther Full Synthetic Power Steering Fluid is formulated for Panther's XPS Power Steering system from synthetic base stock and premium additives. The designed high viscosity index ensures an extended performance life and inhibits rust and corrosion and resists wear. CELEBRATING 80 YEARS: 1944-2024. Advanced Search.

In 2017 Panther took another leap by launching Panther XPS Power Steering. This revolution in steering continues the innovative trend that Panther is known for. In addition, Panther Products offers a full line of steering solutions, battery gauges, rope cleats, transom savers/motor supports and a curated offering of the best ladders on the market.
