If you spend a lot of your leisure time in your living room, having ample storage space in your coffee table is a must. You can keep remotes, blankets, books and the like close by and accessible with this pick from Ashley. There is a main storage compartment underneath the lift-top table, along with four smooth-gliding drawers.

It's the ultimate storage coffee table to buy if you work from home, like I do. Plus it offers an understated amount of space both hidden and for your coffee table decor purposes. It's designed so it doesn't look like a lift-top coffee table, and it's nice and affordable.

As well as being kindly sized for your average first-time buyer, renter, and student, the coffee tables I handpicked below don't just lift to reveal storage. Some of them offer savvy trays, drawers, and shelving to keep your ...
