Together with a wealth of information & contact from Smart Energy. Installation & removal of the old system was fast & the crew was neat & left no mess behind them. They ended up being 1/2 a day early & had completed by mid day the next. Electrical inspection all good. Many follow ups by Smart Energy to ensure customer satisfaction.

Installers didn't do a handover explaining EVERYTHING about the battery, its operation, how to use the app. Installation company didn't ring back to do this as promised. 3 Smart Energy reps didn't ring back as promised. 1 Smart Energy ...

Trust has been broken by nearly everyone I have talked to at Smart Energy Today/Lumio. It has been over EIGHT months now since my first signing with your sales representative, Josh Miller. Summer has come and gone, and we STILL have no working solar panels with zero communication from anyone in your organization on when this will be completed.

Specialties: We've been in the solar industry long enough to have helped thousands of homeowners switch to
