We would highly recommend Sol Energy to anyone considering solar. We strongly recommend Sol Energy. We installed a 7 kWh battery. The inverter had some issues and the company was there the whole time monitoring our system and checking possible issues. They decided to replace it and now everything works perfectly. Great team and very professional.

Our family owned and run business will provide all of your renewable energy needs - from consultation, to design, construction, and ongoing operation of your solar energy system. We provide life-of-system customer care that is unmatched by other big box solar companies. Our solar company has been servicing PA, NJ, DE, and MD since 2009.
