

Solar king inverter warranty

Solar King inverters come with a five-year warranty. However, since they were no longer installed in Australia after 2012, you'll need to check if yours is still under warranty. If it is still covered, you can disconnect the inverter yourself and bring it into your nearest Solargain office, where we'll replace it with a warranty unit.

The SolarEdge inverter warranty is extendable to 20 or 25 years, depending on inverter model. We manage a rapid RMA process and generally ship a replacement unit within 48 hours, if the reported defect is eligible for coverage under the Limited Product Warranty. The warranty extension is available with a one-time payment fee and must be purchased within 24 months ...

Also known as a materials warranty, an inverter product warranty covers the integrity of the equipment itself. If your solar inverter has a defect or mechanical issue or experiences unreasonable wear and tear, that's where your product warranty comes into play.
