All Powertech monocrystalline solar panels are covered by a 25 year limited warranty. This warranty covers
the panels for defects in construction and manufacturing for a period of 5 years, and warrants that the electrical
output will remain above 80% of its original rated output for a period of 25 years. o Maximum power (Pmax):
80W

Our rigid panels also deliver energy to remote power systems, such as electric fences and gates as well as
pumps in garden ponds. For more power, see our PV Logic MHD Rigid Solar Panel range in 100W to 200W.
Rigid solar panels rated 80W and above include bypass diodes to minimise the effect of shadows so that
energy generation is maximised.

How to use an 80w solar panel? An 80w solar panel can be used in many different ways; you can charge a
lithium battery or any item that can handle receiving direct current (DC). Often, you "ll find that appliances
such as electric bikes and scooters, laptops, and mobile phones are capable of being charged with a DC cable;
it is recommended to ...
