Electric have completed 550 solar panel installations in the Wexford area. You can rely on Pinergy Solar Electric for advice and help on your journey to a more sustainable energy future.

Installing solar panels had a huge knock-on effect on the energy efficiency of Robert's home. The initial upgrades allowed the panels to work harder, meaning that Robert could add both a hot water diverter and an electric car charger to his system. They're all powered by the excess energy the solar panels generate.
