SC Solar For All . On April 22, 2024, EPA announced their intent to fund SCOR's Solar For All grant in the
amount of \$124,440,000. This significant investment aligns with SCOR's mission to enhance the state's
ability to anticipate, absorb, recover, and thrive in the face of environmental changes and natural disasters.

Through the grant, the Central Midlands COG will create a Smart Surfaces + Solar Fund to provide matching
funding for local government projects to install solar power at public buildings like the City of Columbia's
wastewater plant.
