The parent company of elite archery acquired Solid broadheads, Mossback game calls, and winners choice bowstrings. Last year they bough Scott releases and CBE bow sights. Pete Crawford(owner of elite) seems to be turning his company into a pretty big archery company.

This premium broadhead is American-made and fully machined for outstanding quality and durability. The 100-grain 4-blade broadhead also provides exceptional field point accuracy. The 1-3/16-inch cutting diameter offers a larger cut, making it the best broadhead fixed blade broadhead for whitetail and other small to medium game.

It's never too late to shop for turkey hunting gear! Fall Obsession Pro Staffer Andy Meeks sits down to talk broadheads and arrow builds for turkey season. Andy has been very successful with the Turkey D-Cap from Solid Broadhead Co. and shares with us why he went with the D-Cap broadhead, and how he adjusted his arrow build accordingly.

The Solid-Broadhead looks to be a great choice for elk. I like fixed heads for elk and these COC heads appear to have many "pros" plus S& S Archery's customer service is second to none. I will fore warn you thou, they are pricy.

Solid Turkey D-Cap 200gr Fixed Broadhead - 2 Pack - Like any knife or cutting equipment, the ability of the tool to take and hold an edge is critically important. This starts with the base material. In the case of the DCAP from Solid, this is 440-grade stainless steel. This steel takes an excellent edge and holds it. The 440-grade steel also provides excellent impact resistance.
