Just wanted to share Sun Run shows up door to door and this is the second salesman. Glad I read about what a complete scam it is. The house I'm in, for this idiot to even talk about saving \$30 a month is just hilarious. I don't give a rat's ass about \$30 a month to have more potential issues, so get lost anyone and everyone to do with Sun Run.

You can get your next position line from another sun sight later on in the day by advancing your first line as mentioned in this post. This is called a sun-run-sun position fix. Alternatively you could get a fix by using three stars around sunrise or sunset, or the moon which can also be seen during the day.
