

Wasserstein solar panel for blink

The solar panels provide constant power without worrying about any battery life issues with the camera's. I only give it 4 stars as the install instructions don't clearly indicate that you need to first charge the panels in sunlight for several hours BEFORE plugging into the camera.

The Wasserstein Blink Floodlight Solar Panel is perfect for powering your Blink Floodlight and Blink Outdoor Camera, eliminating the downtime and frequent battery swaps. The 360-degree wall mount allows you to position the Blink Floodlight accessory solar panel for maximum sunlight exposure, ensuring you'll have enough power for non-stop ...
